

Student Membership

The Adams County Chamber of Commerce is made up of mainly entrepreneurial businesses and so would like to encourage more entrepreneurialism through students.

The Student Membership was created to get feedback from new and upcoming young business people. So, in March of 2007, the Chamber of Commerce created a Student Membership. It is defined as "Persons of Junior or Senior grade level in a High School, or attending College with legal residence in Adams County."

In addition one Board seat has been reserved for one "Student Member." The Student position will serve a term of one (1) year, with a limit of two (2) consecutive terms.

If you are interested in business, your community, and making a difference in both, please contact the Adams County Chamber of Commerce today!
